SERVICES

Cybersecurity & Privacy Risk Management

Counsel Harley Blosser is a licensed patent attorney specializing in all aspects of intellectual property, emerging technology and business law. As an Intellectual Property, IP, attorney, Harley's technical specialties include biotechnology, chemistry, clean energy and pharmaceutical patents; trademarks; copyrights; IP portfolio strategic management; licensing and enforcement.

He is actively involved with life science, technology, venture capital/emerging growth companies, not-for-profit organization practices and other industry areas. His client counseling extends to all aspects of managing intellectual property, including patentability and freedom to operate opinions, trademark branding, agreements related to transfer and licensing and enforcement disputes of all forms of intellectual property. Harley also is involved with due diligence associated with mergers, joint ventures, acquisitions and divestitures.

In his spare time, Harley can frequently be found on the tennis court, bike trail or reading a great history book or mystery novel.
