# Restructuring & Creditors' Rights

Our Bankruptcy, Reorganization and Creditors' Rights attorneys offer a full range of legal services to clients in virtually all areas of the bankruptcy and insolvency practice.

We counsel and advise secured and unsecured creditors, debtors, creditors' committees, trustees, landlords, asset purchasers, mortgage servicers and others in bankruptcies, reorganizations and liquidations. In addition, we advise out-of-court workouts, state court receiverships and restructurings.

Our attorneys have represented clients in a wide variety of industries including manufacturing, real estate, agricultural, retail, trucking and transportation, health care, telecommunications and many others.
