Sandberg Phoenix is Pleased to Offer Insurance Clients Predictable Fees During Unpredictable Times

AUTHOR: AARON FRENCH

In these uncertain and unprecedented times, the Sandberg Phoenix Insurance Team, with decades of collective experience handling coverage matters in Missouri, Illinois and Kansas, stands ready, willing and able to assist insurers with COVID-19 related insurance coverage issues, including first-party business interruption claims.

In order to assist with advice and consultation and promote predictability, we have implemented a flat fee pricing model specifically for COVID-19 related coverage issues.
