Tax Advice & Controversies

Our firm takes great pride in the strategic tax advice and high-quality tax controversy services we provide to our clients.

Federal Tax Controversy/Advice

Our tax controversy/tax advice clients range from individuals, to small business owners, to large corporate clients and other business entities. Our tax lawyers are seasoned tax litigators with prior United States Department of Justice experience prosecuting white-collar crimes, including tax fraud and tax evasion. Our lawyers are also skilled negotiators who routinely obtain favorable tax settlements with the Internal Revenue Service (IRS). The diverse background of our practitioners has encouraged specialized experience with tax issues in divorce, tax issues in bankruptcy and tax issues in the formation, operation and liquidation of business entities.

We have represented clients in a variety of civil and criminal federal tax controversy issues, including:

- Appraiser penalties
- Audit examination representation
- Collection matters
- Employment tax (trust fund penalty)
- Estate and gift tax
- Excise tax
- Income tax (individual and corporate)
- Innocent spouse relief
- Non-filer compliance
- Partnership tax
- Penalty review
- Tax court litigation
- Tax evasion

- Tax fraud
- Tax preparer penalties
- Valuation issues
