Reminder to our Illinois Contractors and Sub-Contractors who hire sub-sub-contractors

AUTHOR: SUE SCHULTZ

Any Illinois contractor or sub-contractor who has construction services performed for it by an individual, sole proprietorship or partnership that is not an employee of the contractor or sub-contractor must file a report by *April 30, 2018* with the Illinois Department of Labor. The report must include the following Information:

1. Contractor's (or sub-contractor's) name, address, business identification number;
2. The name, address and business identification number of each entity or non-employee person providing services, along with total amount paid for services and materials and equipment during the taxable year.

A contractor (or sub-contractor), who fails to submit a report to the Department or submits a false report, violates the Illinois statutes and is subject to civil penalties and debarment.

The report **MUST** be submitted electronically at: <https://www.illinois.gov/idol/Pages/default.aspx>
